My Story:

I grew up in the 1950's on a small rural farm outside of Woodburn, Oregon. Our small farm raised crops such as strawberries, cucumbers, cauliflower and broccoli. I harvested green beans, walnuts, filberts and all kinds of berries. We always had cows, pigs, chickens, sheep, horses, dogs, and cats to take care of as well. All of these childhood experiences taught me the value of hard work. My Mother's large garden also gave my sisters and me lots of opportunities to learn all about cooking and canning with fresh ingredients. Our old farmhouse used to rock and roll with all the activities of so many women!!!

I have always loved cooking and baking, pretty dishes, and entertaining so it was a natural progression to opening a place of my own to host private parties. I hope you enjoy the new menu named after each of my wonderful sisters, my Aunt and Uncle and of course, my dear mother, Marie.

I have a wonderful husband and three adult children.

I appreciate your business and hope you will consider Cheryl's Cup of Tea for your private party or gathering.

God bless you,
Cheryl
